Harry

2 years old
Mixed Breed

Why Harry Rocks:

Harry is a regular at our Pet Palace Airport location! He comes for daycare during the week while his mom works. Harry is a big boy (100lbs) with a ton of energy to burn. He loves all the attention he can get and is definitely a big lover! Harry absolutely loves the Jolly Ball and also enjoys playing tug with his best friend, Autumn. He is always very eager to get in the door and enjoys every minute of playtime. Harry is very food motivated and loves his treat that mom gives him after he was a good boy at daycare. He has many friends at Pet Palace and would love to meet some new ones!
