### PET PALACE STAR

**Maggie**  
2 years old  
Chocolate Labrador  
Maggie is regular at our Pet Palace Hilliard location! She has been coming for daycare since she was just a puppy and puts a smile on our faces as soon as she walks in the door.

#### Why Maggie Rules:

Maggie is an absolute sweetheart with a ton of energy. She has several daycare friends that she plays with regularly. When all the other dogs are tired, leave it to Maggie to still be going strong! She loves playing fetch with the tennis balls and cooling off in the pools. After playtime with the other daycare attendees, Maggie is always eager to get love and attention from staff. She has become a huge part of our family and we look forward to seeing her in the mornings. If you have a dog with too much stored energy, bring him or her to daycare and leave the rest to Maggie! She is always very eager to meet new friends :)
